

REMARKS

The changes required by the Examiner's Amendment are incorporated in this Rule 312 Amendment. Otherwise, the Rule 312 Amendment is the same as the Rule 312 Amendment that was filed February 15, 2007 and so the same Remarks apply, as follows:

A needed change is made in the specification.

The claims have been amended as to form so as to take care of the matters pointed out by the Examiner under 37 CFR 112, second paragraph.

The indication of allowability of claim 12 apart from formal matters is noted with thanks. Accordingly, the limitations of claim 12 are added to claim 11, thereby placing claim 11 in condition for allowance and with it the claims that depend therefrom. Of course, claim 12 is canceled as redundant of thus-amended claim 11.

As this amendment seeks only to place the application in condition for allowance with claims previously allowed, it is not believed to be necessary to discuss the prior art again.

In view of the present amendment and the foregoing Remarks, therefore, it is believed that this application has been placed in condition for allowance, and reconsideration and allowance are respectfully requested.

The Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any
